

CASTORO CELLARS

Estate Cabernet Sauvignon 2012

You will agree that Paso Robles is Cabernet Sauvignon country after enjoying this amazing wine. Our Cabernet Sauvignon is packed with rich berries, ripe plum, and strawberry preserve aromas. Vanilla-chai nuances from both American and French oak frame the fruit. This broad-shouldered Cabernet Sauvignon is ready to drink now, but also has formidable aging capacity. Enjoy the King of red wines with any hearty entrée or with a selection of rich cheeses.
