

CASTORO CELLARS

Estate Sauvignon Blanc 2013

One of our favorite wines! This wine is reminiscent of the Marlborough region of New Zealand, highly aromatic and lush in lemongrass flavor. The Sauvignon Blanc grapes are predominately from our Dos Viñas Vineyard in the foothills facing south towards Paso Robles. This is a tart, dry-yet-fruity wine showing Asian pear, Granny Smith apple, and tropical fruit aromas. The mouth is clean and medium bodied with a crisp finish. I suggest that you sauté scallops in butter with a bit of this wine and garlic. Squeeze a little lemon on top and enjoy with the rest of the chilled bottle.
