## Estate Zinfandel 2012

The 2012 Zinfandel from our Paso Robles Estate fruit is another stunning wine with classic, fresh berry brightness. The Templeton Gap region of Paso Robles produces wines of raspberry and cherry jams and a black pepper spice. Ten percent of Petite Sirah from Shell Creek Vineyard is added for structure, tannins, depth, and a deep garnet color. This Zinfandel showcases intense fruit, a medium-to-full body, and a mocha finish. Pop one open for a tasty and rich experience. Prepare your homemade favorite pasta dish for our classic homegrown Zinfandel!
